PRESENTERS

1:20-1:50 – Katie Palmer FDN-P
Restore Health Naturally with Nutritional Blood Analysis

Katie will talk about receiving insights into your digestive, hormone, and immune health and learn how you can get to the bottom of your health concerns using live blood analysis and other functional diagnostic tests.

Katie M. Palmer is a Functional Diagnostic Nutrition Practitioner, Herbalist, and Live Blood Analyst in DFW. She has been in the holistic health field for over 13 years. Her passion is educating people how they can obtain optimal health using herbs and nutrition.

2:00-2:30 – Andrew Williams
Spiritual Energy Healing & Awakening

Andrew will illuminate the energetic anatomy of the chakras, how energies become trapped in the physical and subtle bodies, and how he helps release them. He will guide a group meditation to find the deep energy each attendee needs help with.

A Certified Advanced Energy Healer and graduate of The Jaffe School of Energy Mastery, Andrew has been refining and practicing energetic healing for 27 years. He is a Sufi initiate and is devoted to helping clients in private sessions, workshops and everyday interaction become happier, more healed, and awakened. He works with all types of emotional blocks, problems, energies, cellular memories and samskaras. Healing is his life's Dharma.

2:40-3:10 – Michelle Henderson
Messages from Loved Ones

Michelle Henderson Medium will connect with loved ones on the other side, bringing through incredible details, and loving & healing messages. Michelle can only provide personal messages to as many guests as time allows & a message is not guaranteed. The healing messages that come through will touch many hearts and benefit everyone.

Michelle Henderson is a Certified Spiritual Advisor with Psychic and Medium Certificates through the Lisa Williams International School of Spiritual Development. Her goal through mediumship is to reassure others that there is an afterlife and to find closure after a loved one passes over. She also wants to validate that there is a spiritual realm that helps everyone along their life's journey. With every mediumship reading, she wants her clients to find spiritual uplifting and grasp that there is hope on the other side during a difficult time, and know that they are not alone!

PRESENTERS *continued*

3:20-3:50 – Mary Helen Schmidt

The Signs & Symbols that our Animals send from the Other Side

Mary Helen will help us understand the importance of receiving and trusting the signs we are being sent by our animals on the other side and how to overcome any resistance to listening to our intuition. That is the biggest hurdle – to trust.

Mary Helen has been an animal communicator for about 15 years and she is also a Shamanic and Quantum-Touch practitioner. Her purpose is to help us have a deeper understanding that our animals are aware physically, emotionally and spiritually. Mary Helen teaches animal communication where those concepts are revealed in a much deeper way.

4:00-4:30 – JeanAnn Saint Grace

Growing Through Grief

A Grief Journey is one of those things you are rarely prepared for, and no two are alike. We primarily think about Grief around the passing of a Loved One, but it can also be caused by the end of a relationship, a job, a diagnosis, or anything that creates a significantly different future than the one you planned. Grief is one of the toughest and multi-layered emotions we experience, so Learning to adjust and grow through it with Grace and Gratitude can help to ease the Journey. Join JeanAnn in this presentation to gain a new perspective on "Growing through Grief".

JeanAnn is a Medium who uses her channel to help people gain understanding of their life's journey and to see the possibilities that lie before them. In her healing practice she uses modalities such as Soul Contract, Human Design, Reiki and Divine Healing to help people become conscious and engaged, aligning their Mind, Body and Soul to build the Heaven on Earth we all desire and deserve. JeanAnn lives in Texas, but with the gift of Zoom, she works with clients across the United States and the World.

4:40-5:10 – Jason Carlson

Group Healing with our Angels & Quantum-Touch

Jason is leading a fun-filled heart centered Group Healing, working with the loving assistance of our Angels and the energetic modality he teaches, Quantum-Touch.

Jason is a Quantum-Touch Level 1 Instructor, Gathering of Angels Instructor and the Director & Co-Founder of the Holistic Fair. As a Practitioner of Healing, his heart's desire is to lovingly assist others along their own path and growth processes with empowerment.
