PRESENTERS

12:40-1:10 – Jason Carlson, CQTP/I

Gathering of Angels: Meet your Guardian Angel

Jason will explain the process of connecting deeper with our Angels and then will guide the group to each meet and experience the presence of their Guardian Angels.

Jason is a Quantum-Touch Level 1 & 2 Instructor, Gathering of Angels Instructor and the Director & Co-Founder of the Holistic Fair. As a Practitioner of Healing, his heart's desire is to lovingly assist others along their own path and growth processes with empowerment and clarity.

1:20-1:50 – Dr. Jason Dixon, D.C.

Coherence: Unleashing the Power of Your Nervous System

Discover the unique NetworkSpinal Wave and learn how it can accelerate your shift to a higher state of consciousness.

From a young age, Dr. Jason knew he was sensitive to the energy field that surrounds us. He wanted to help people collectively raise the energy of the world but didn't know how. One day, his friend said, "Jason, if you want to help people, become a chiropractor." Dr. Jason felt that statement resonate deep within his soul, and before he knew it, he was heading to Parker University to study for his Doctor of Chiropractic. Now he gets to share his gifts, which help Practice Members live the life of their dreams.

Spirit Gallery

\$25 Per Person

Experience Mediumship Readings with John Cappello

2:00-3:00 – Spirit Gallery with John Cappello

\$25 per person, register at the admission booth.

A Spirit Gallery is a public demonstration of the continuity of life by sensing the energy of individuals who have crossed over into the Spirit World. A connection with a lost loved one can be a very healing and joyous event when the personality and presence of a spirit are verified during a session. During the Spirit Gallery, there will be an attempt to give everyone a reading. However, if a spirit is not sensed, the reading may only be a psychic reading. The difference between a mediumship reading and a psychic reading is that a mediumship reading involves an identified spirit around a participant while a psychic reading is only about the participant and the energy around them.

PRESENTERS CONTINUED

3:20-3:50 – Sandy Winnette

We Grieve: How To Control Emotions

If you or someone you know is stuck with those runaway thoughts and out of control emotions, spend thirty minutes with Sandy and take the first step to learning the key to change.

Sandy Winnette is the original creator and instructor of Self Hypnosis classes for the former Fun Ed Adult Edu in Dallas. She guided groups as well as private practice sessions with outstanding reviews – fun and informative.

4:00-4:30 – Mary Helen Schmidt

Meditation Technique for Communicating w/ your Guides & Animals

In this 30 minute class, Mary Helen will teach you techniques to calm yourself and relax into meditation when you are wanting to connect with your God Team, Guides and animals.

Mary Helen teaches Animal Communication and is also a Shamanic and Quantum-Touch Practitioner. Her purpose is to help us have a deeper understanding that our animals are aware physically, emotionally and spiritually.

4:40-5:10 – JeanAnn SaintGrace

Empaths & the Challenges of Earth School

The Earth School isn't easy, and as Empaths and Highly Sensitive people, we can find ourselves struggling with the density of everyday living. Crowds, stores, noise and other things feel overwhelming and it's a struggle to get through the day. JeanAnn will share some tips and open up for questions to discuss how to Excel at Earth School while honoring the beauty and uniqueness of our sensitive natures.

JeanAnn is a Medium who uses her channel to help people gain understanding of their life's journey and to see the possibilities that lie before them. In her healing practice she uses modalities such as Soul Contract, Human Design, Reiki and Divine Healing to help people become conscious and engaged, aligning their Mind, Body and Soul to build the Heaven on Earth we all desire and deserve. JeanAnn lives in Texas, but with the gift of Zoom, she works with clients across the United States and the World.
