PRESENTERS

12:40-1:10 – Ken Kehs

Finally Resolving Chronic Fatigue & Brain Fog

- Understand why previous methods weren't successful
- Learn the most important step to recovery
- Coach Ken will provide you with a successful approach

Coach Ken has walked the path from tired, sick, and desperate for answers to being healthy, full of energy, and truly excited about his life again. He uses the same proven methods and cutting-edge tools that helped him restore his health to empower others to increase their energy, regain their brain function and live the vibrant life they deserve! He is a Certified Primal Health Coach, Certified Toxicity and Detox Specialist & Certified Emotion Code Practitioner.

1:20-1:50 – Stela Sharp

Accessing our Higher Self's Messages Through Quantum Healing Hypnosis (QHHT)

In this captivating talk, Stela will discuss how we can open the communication line to our Higher Self and tap into its infinite intelligence and healing powers through Quantum Healing Hypnosis (QHHT).

Stela Sharp is a Level 2 QHHT Practitioner of Dolores Cannon's Method of Quantum Healing Hypnosis Technique (QHHT). Through her QHHT work with clients locally and internationally, she has facilitated and witnessed many miracles and powerful healing, both in her own and her colleagues' QHHT sessions.

Spirit Gallery

\$25 Per Person

Experience Mediumship Readings with John Cappello

2:00-3:00 – Spirit Gallery with John Cappello

\$25 per person, register at the admission booth.

A Spirit Gallery is a public demonstration of the continuity of life by sensing the energy of individuals who have crossed over into the Spirit World. A connection with a lost loved one can be a very healing and joyous event when the personality and presence of a spirit are verified during a session. During the Spirit Gallery, there will be an attempt to give everyone a reading. However, if a spirit is not sensed, the reading may only be a psychic reading. The difference between a mediumship reading and a psychic reading is that a mediumship reading involves an identified spirit around a participant while a psychic reading is only about the participant and the energy around them.

PRESENTERS CONTINUED

3:20-3:50 – Rev. Patricia LaDale Lane
Inviting the Mystic

Join Patricia Lane, Author, Storyteller, Speaker and Licensed Reiki Master Teacher while she takes you on a profound journey of healing around mystical experiences and the magical guidance she has written about in her book, *The Angel's Orchestra – A Little Book that takes you on a Big Spiritual Journey*.

Patricia LaDale Lane, BMsc is a Licensed Master Reiki Teacher through the International Center of Reiki Training, author, speaker, and a Spiritual Transformation Life Coach. Her ministry is a Spiritual one and her passion is teaching women to develop their intuitive gifts so they can heal and empower themselves.

4:00-4:30 – Elise Adam
Sacred Connections

Join Elise as she helps you understand the Power of Soulmates, Karmic Partners, Past Life Connections & Twin Flames. You will have the opportunity to look at your own Journey and connect the dots on past experiences when it comes to Romantic Relationships in this Lifetime.

Elise says, "Growing up I always felt different than everyone else, I was always the outsider looking in. In my teens, I began to feel other people's emotions on an epic level! I knew if they were happy, sad, angry, lost or confused. I was able to see their pain, what caused it, if they would overcome it and how they would overcome it. I served in the Christian arena for over 25 years as a counsellor, speaker, mentor and teacher. I am humbled to combine all of this experience with my psychic abilities to bring Healing and Guidance to other Souls – Guiding You to Peace, Freedom and Your Highest Path."

4:40-5:10 – Jason Carlson CQTP/I
Gathering of Angels: Meet your Guardian Angel

Jason will explain the process of connecting deeper with our Angels and then will guide the group to each meet and experience the presence of their Guardian Angel.

Jason is a Quantum-Touch Level 1 & 2 Instructor, Gathering of Angels Instructor and the Director & Co-Founder of the Holistic Fair. As a natural teacher and a Practitioner of Healing, his heart's desire is to lovingly assist others along their own path and growth processes with empowerment and clarity.
