30 MINUTE TALKS

11:30am - 4:30pm

PRESENTERS

11:30-12:00 – Mary Helen Schmidt

“Advice & Guidance from your Animal Companion”

Your wish comes true – your animal giving you helpful advice and guidance! People usually want to know what their animal really wants and it's usually something not bought with money – it's being in their heart. Join Mary Helen as she connects with your animal companions in this fun and heartfelt presentation.

12:00-12:30 – Lisette Ransdell

“Charts & Cards-Double-Divination: Astrology & Tarot Together as One Divinatory Language for This Age”

In this talk, Lisette will introduce her approach to Double-Divination through the language of cards and charts. Using the chart of a well-known person, she will show how astrology and tarot can be read together as one living symbolic system. By connecting key chart placements with tarot archetypes, she will demonstrate how these two languages mirror one another through pattern, personality, timing, symbolism, and soul story. Her goal is to help people see how astrology and tarot work together to reveal deeper meaning in a visual and practical way, and how this same approach can be applied to their own lives. This presentation includes a handout and live card examples to bring the connection to life.

12:30-1:00 – Patricia LaDale Lane, BMsc, ICRT LMRT

“Inviting the Mystic”

Join Patricia Lane, Author, Storyteller, Speaker and Licensed Reiki Master Teacher while she takes you on a profound journey of healing around mystical experiences and the magical guidance she has written about in her book, *The Angel's Orchestra – A Little Book that takes you on a Big Spiritual Journey*.

“Higher Self Guidance and Healing through Quantum Healing Hypnosis (QHHT)”

In this captivating talk, Stela will share how we can tap into the Infinite Intelligence and Healing Powers of your own Higher Self through Quantum Healing Hypnosis (QHHT®). The Higher Self is the eternal, all-knowing part of you which has the answers to all of your life questions and struggles, and can provide you with guidance and healing from any physical ailment or pain, emotional or mental trauma, subconscious block, self-limiting belief, negative thought pattern, and any other issue that may be affecting the quality of your life. QHHT allows us to open the Communication Line to this higher part of you by gently guiding you into the deepest state of Consciousness and bypassing the analytical mind. Join Stela to learn about the transformative and life-changing benefits of QHHT, which can save you years of soul-searching and guide you towards a life of wholeness, inner peace, and bliss.
